Simon Griffee likes **working** with nice people to move things from an existing condition to a preferred one.

Experience

Designer, Developer & QA Specialist
United Nations Archives and Records Management Section, New York, 2016–Present
Improved quality and speed of the archiving of documents from
Ban Ki-moon's tenure as Secretary General of the UN.

Graphic Designer
Columbia University, New York, 2015–Present
Raised the number of event bookings, attendees and fellowship applications with
visual design work promoting the Italian Academy and its projects.

Designer, Developer, Printer
Milton Glaser Incorporated, New York, 2015–2016
Helped complete an identity design project for a U.S. state, a Japanese accessories
manufacturer and a music festival. Developed an image catalogue application and
produced editioned fine prints of **Milton Glaser's** artwork.

UX Designer & Developer
Food and Agriculture Organization, United Nations, Rome, Italy, 2009–2015
Increased funding, number of members and amount of plant protection information
contributed to the International Plant Protection Convention of the United Nations with
web development, branding and information management work.

Education

Bournemouth University B.A. with Honours in Creative Advertising.
Arts University Bournemouth City & Guilds Diploma, Distinction in Photography.

Skills & Contact

PERSONAL: Communicates clearly, enjoys **learning** and finding the right questions
by **listening** to people and through **project briefs**. Enjoys **crafting** solutions working
with the elements of **user experience**: strategy, scope, structure, skeleton and surface.
Likes **fast, simple** interfaces and **good writing** over excessive style.

VISUAL DESIGN: Draws and **illustrates** with pencil, pen and chalk on paper, white and
black boards, or with and on whatever is at hand. Works with typography and layout to
make things beautiful and useful. Loves candid **photography**, usually on the street
using rangefinder and small cameras. Experienced with curation and **editing**.

LANGUAGES & SOFTWARE: Speaks and writes in **English** and **Portuguese** fluently, **Italian**
well and **French** and **Spanish** easily with a week's practice. Highly experienced with **Adobe
Creative Suite** (Illustrator, Photoshop, InDesign, Lightroom), **hand-coding** of **HTML** and **CSS**
and **computer games**. Has practical knowledge of and experience with **Python** and Django,
JavaScript, **Git** and **GitHub**, PHP, Drupal, Wordpress, Ruby, **Unix** shell, SQL and OCR.
